Outstanding bulls and females from the herds of Kansas Shorthorn Breeders have been consigned to the Kansas State Shorthorn Sale. Recognizing the value of good quality individuals used as replacements or additions to a herd, the Kansas Breeders take great pride in offering for sale individuals sired by bulls which by past performance have proved their worth. No where else will such a fine consignment of outstanding individuals be offered for purchase.

Look carefully through the catalog. Note the excellent breeding behind each animal offered for sale. Take advantage of this opportunity to procure outstanding bulls and females to use in your herd.

We selected the Challenger bull to cross on daughters of Edellyn Grand Knight in order to intensify Calrossie breeding since both bulls were grandsons of Calrossie Good News. You will agree when you inspect this bull, that our hopes have been fulfilled.
